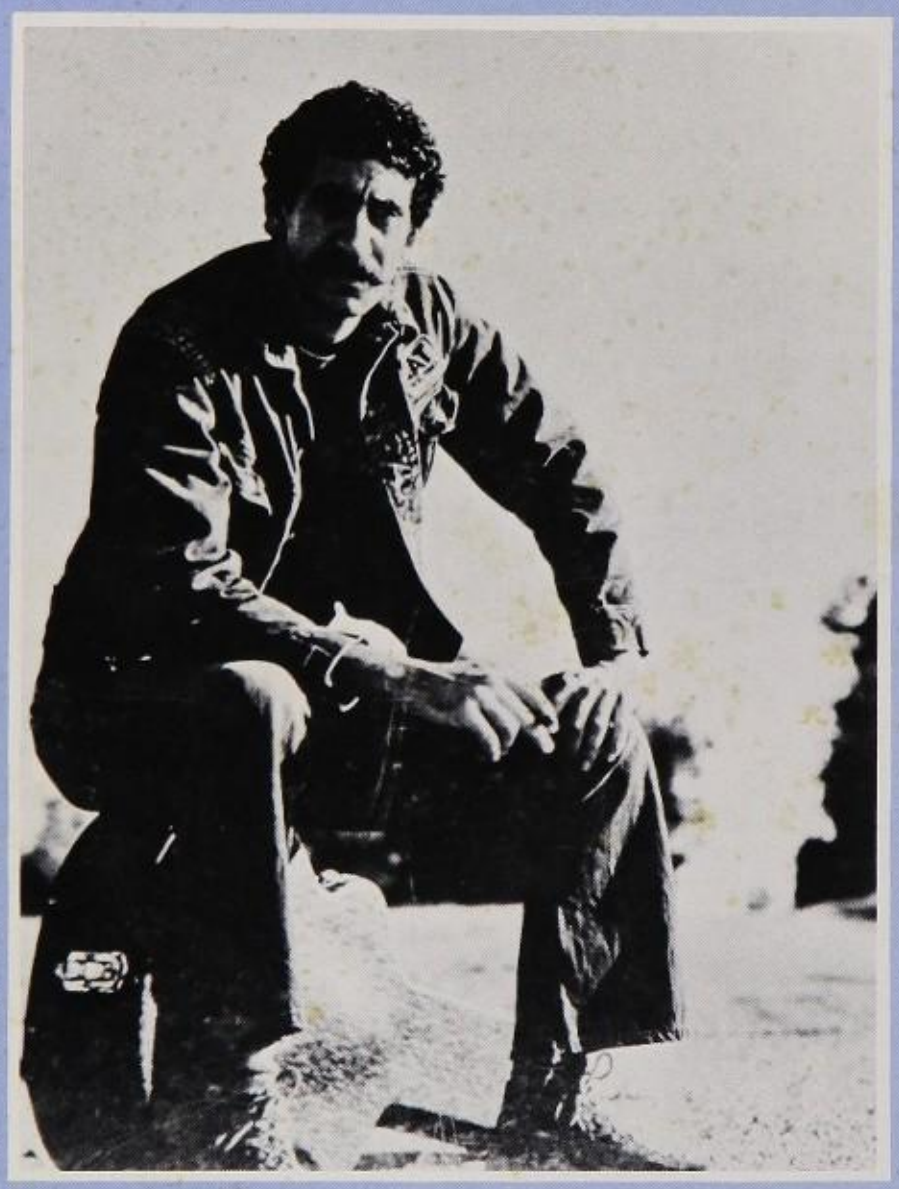
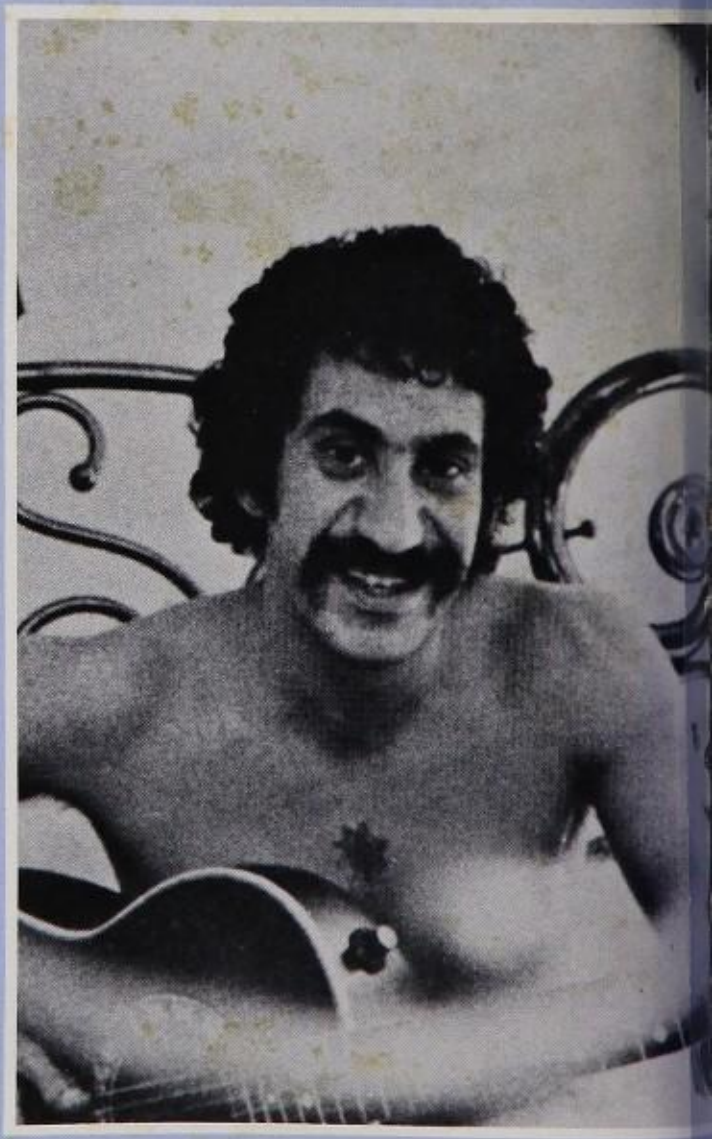
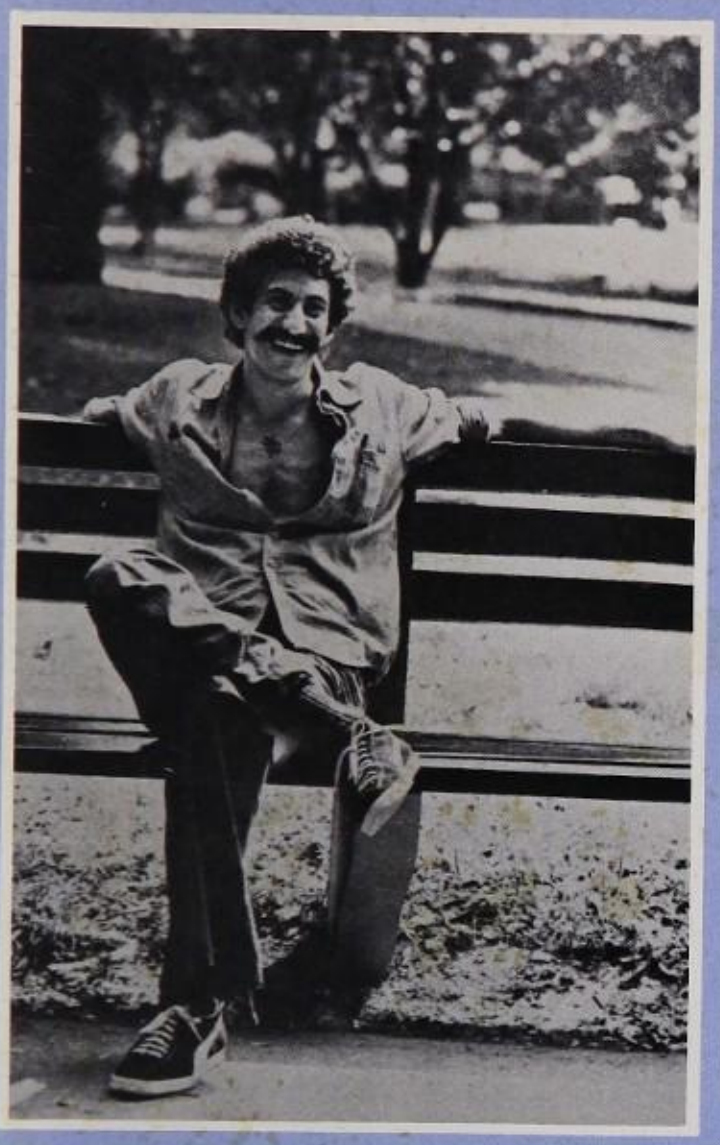
JIM CROCE







In the title of one of his many songs, Jim Croce gave us the three simple words we have chosen to serve as the title and theme of our yearbook.

Our title, "Photographs and Memories", was taken from the song of the same title written by the late Jim Croce. The sentiment it expresses will remain important to us for a long, long time.

Jim Croce's was a short life, but a life constantly in tune to feelings of love, pain and humor. As a singer/songwriter, he demonstrated his unique abilities in a variety of art forms and careers. He made us aware that every individual's talents and memories are vital aspects of their being. These qualities made Croce a unique man. These are the qualities we hope to carry with us in our transition from high school seniors to responsible adulthood.

To many of us what Jim Croce stood for is immortal. So, too, are our own "Photographs and Memories."

BETHEL HIGH SCHOOL
WILDCATS
MARCHING BAND

Truly, no yearbook could ever capture all that we have shared in our years at Bethel High School, nor could any photographs depict the growth and maturity that we've attained as a result of, or at least while in, Bethel High School.

Many of us face an uncertain future, and none of us can tell exactly how everything will result. But we do know, however, that many of the factors that have come to be important to us will be captured in these and the following pages — our yearbook from the Class of 1979.

To these we shall always turn,
On these we shall often reflect,
These — our photographs and memories.

Sometimes, not often enough
We reflect upon the good things,
And our thoughts always
Center around those we love.

And we think about a person
Who means so much to us
And has for many years
Made us so very happy.

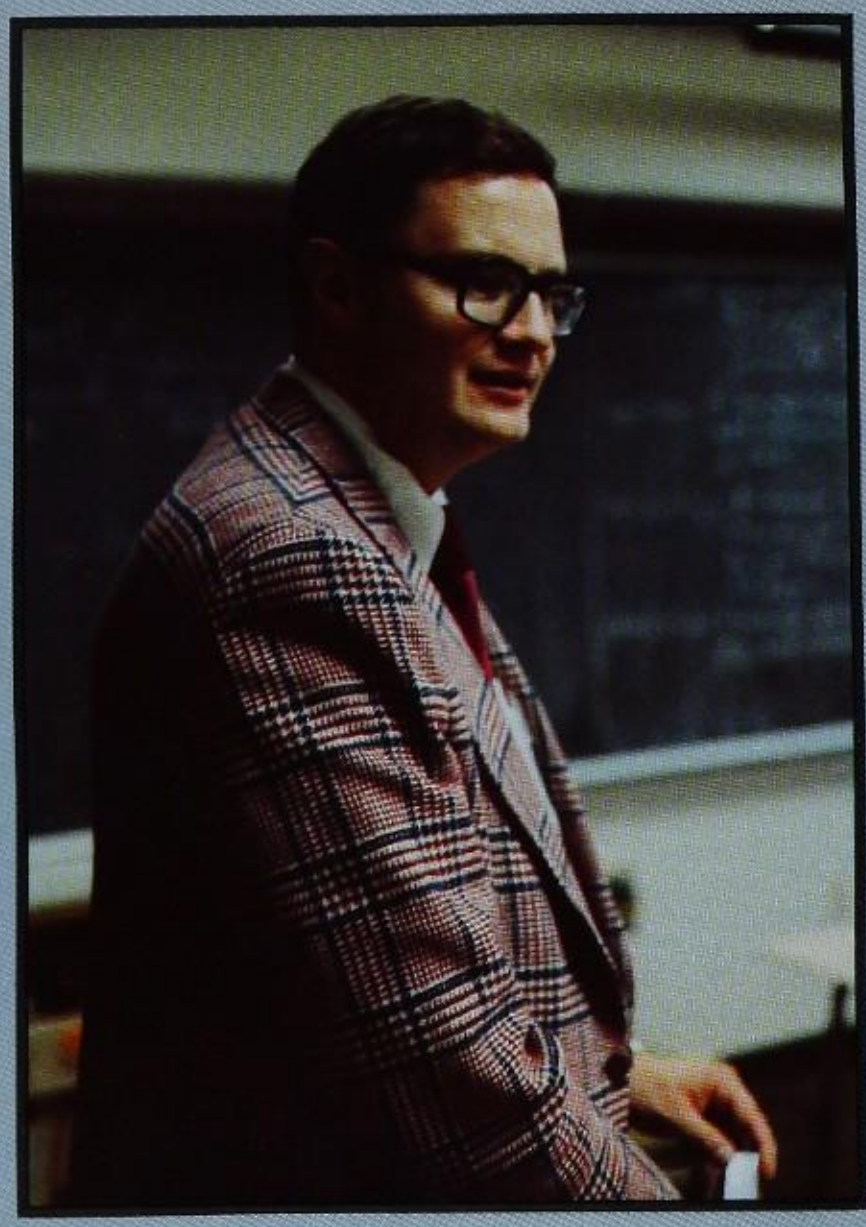
And we count the times
We have forgotten to say Thank You
And just how much we love him.

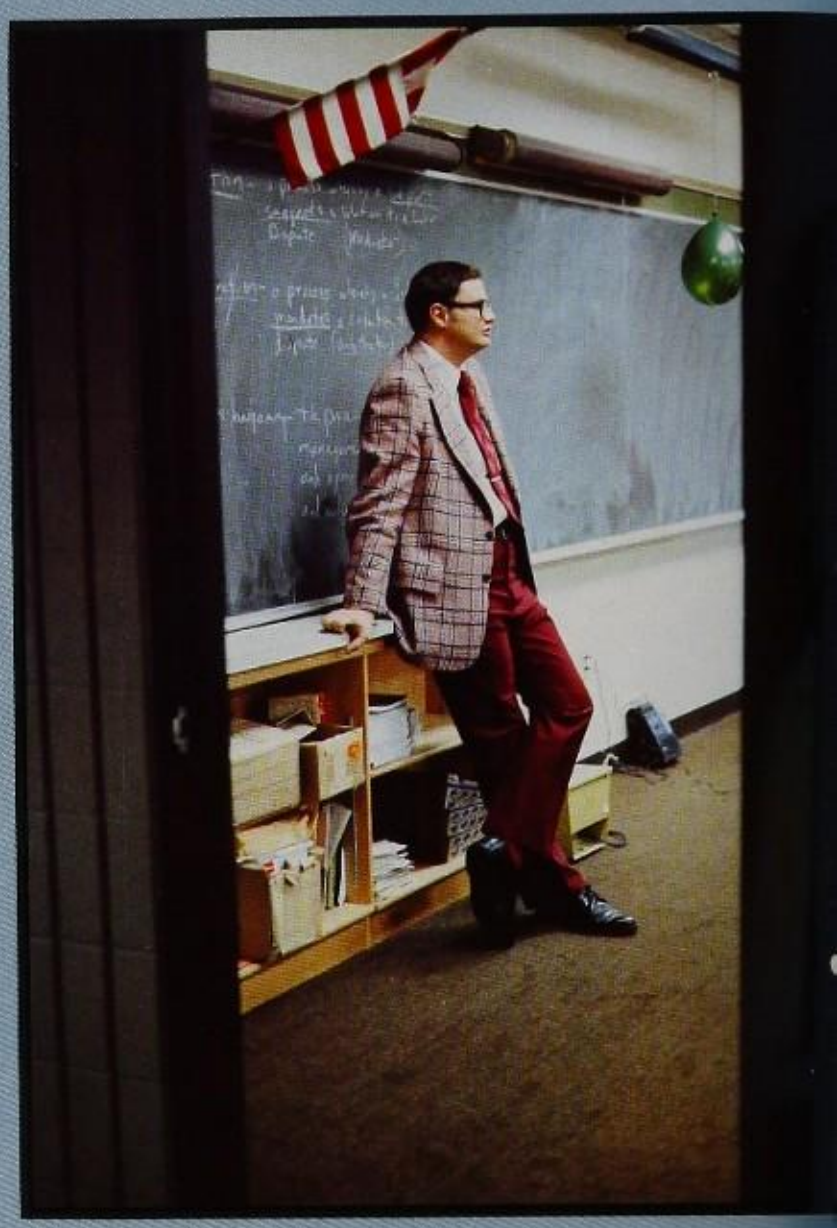
The Carpenters

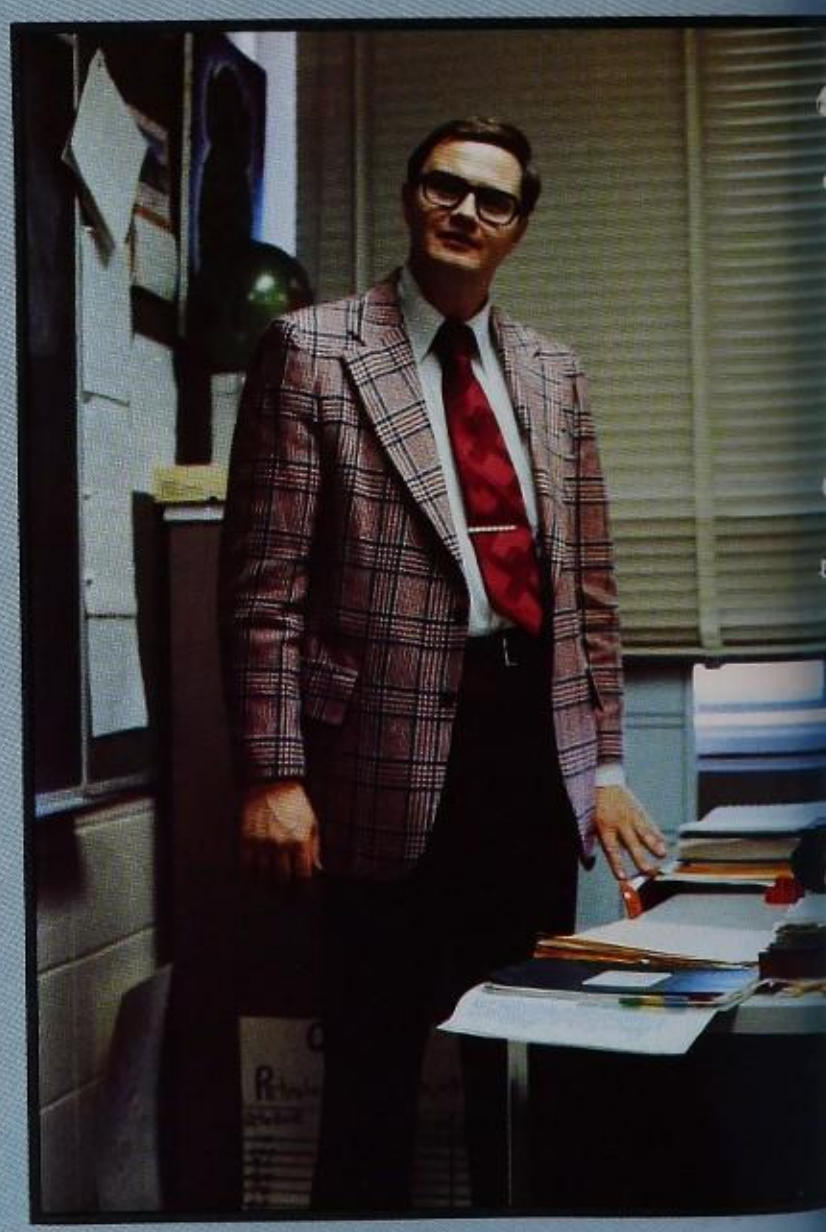
With these thoughts we affectionately dedicate
Our yearbook to our beloved principal
Mr. Emanuel A. Merullo.

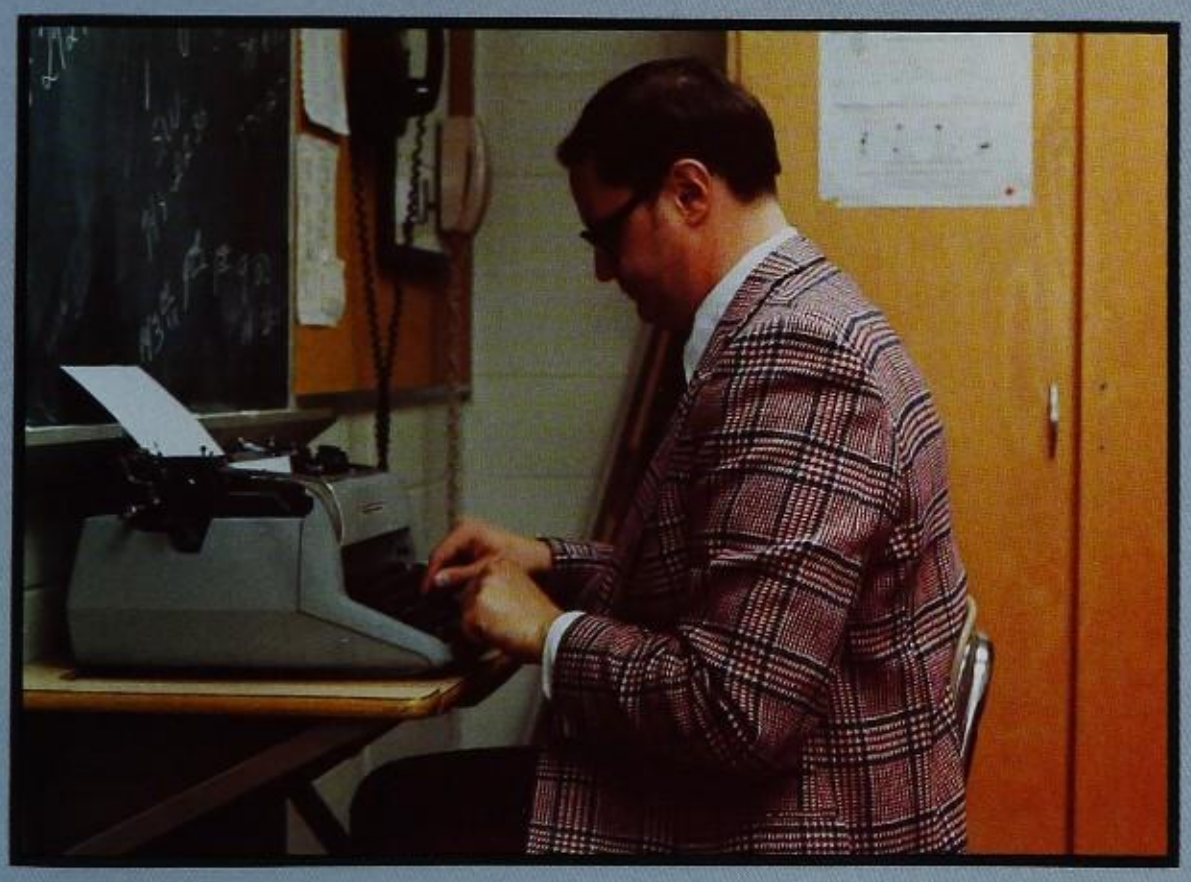
We also dedicate this yearbook to our children and grandchildren, in the hope that one day they will also know the happiness that we've become familiar with throughout our high school years.

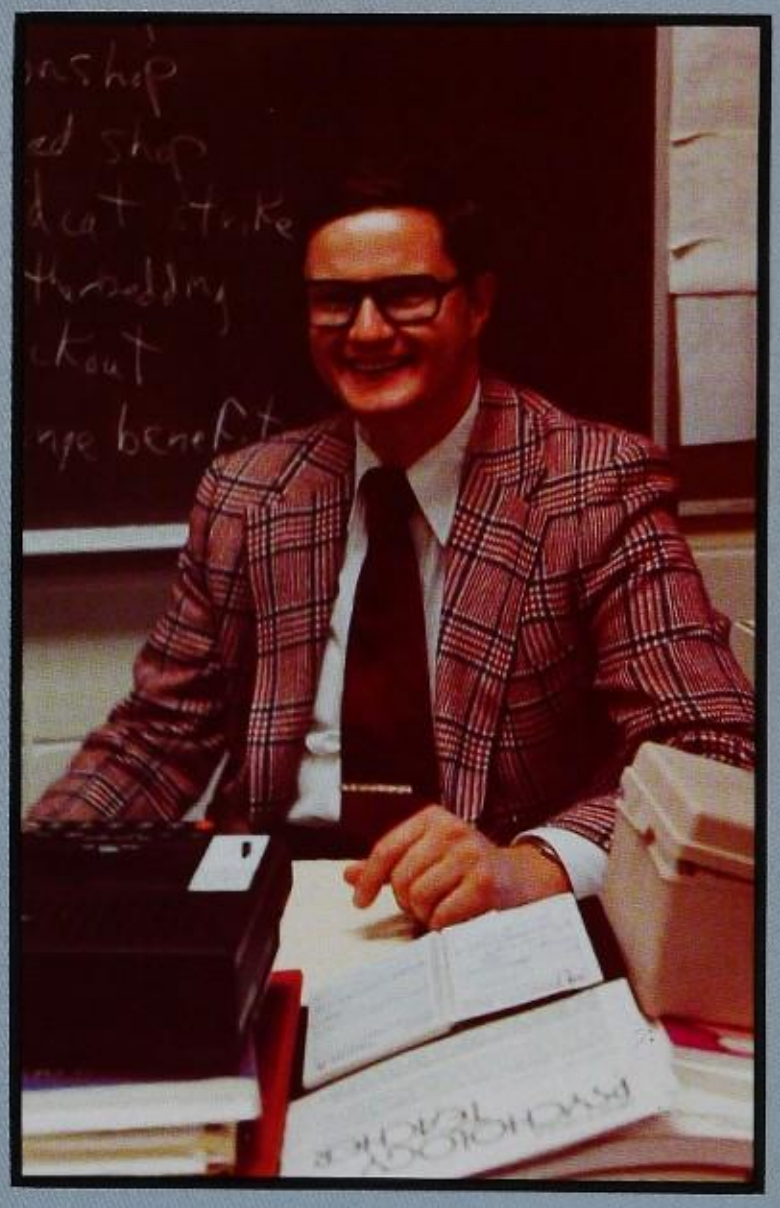
OUR ADVISOR











MR. KRENICK

During the past four years the Class of 1979 has had the privilege of working with many members of the Bethel High School faculty. There is one man, however, who stands out among these people - Mr. Kenneth Krenick. Words cannot express the love and gratitude we have for this devoted individual. The amount of time and support he has given us within the last four years can never be measured. He generously offered of himself when we, as a class, needed him the most. Mr. Krenick's encouragement always reassured us. It is hard to believe that four years have passed so swiftly, and that it is time to leave this wonderful man. We shall never forget him and will always love and appreciate him for what he has given us.

SPECIAL FRIENDS

The Guidance Counselors of Bethel High School have helped us immensely over the past four years. Many times the guidance office became an outlet for our disappointments and frustrations. At other times it was a place for happiness and encouragement. Our guidance counselors generously devoted their time to each of us whether it was to ease our way through academic or personal problems. They became our friends and expressed genuine concern for our well-being. For this we express our sincere thanks to Mrs. Rosemary Greene, Miss Lillian Lynch and Mr. David Nyitray.

As in the past, Mr. Henry Moehlmann has been a devoted fan of our athletic teams. His continued presence encouraged each player to do his best. Through the years, he has bridged the gap between young and old. He has been an important part in each of our lives and we thank him for his dedication.

Few people realize the great amount of hard work and valuable time Mr. Jack Leonard has donated not only to our class, but to the entire school. His presence at all of our school functions, helping out in anyway that he can, has meant a greal deal to B.H.S. His never ending interest and devotion has not gone unnoticed. Before we leave Bethel High School, we would like to thank this very special man, our friend, Jack Leonard.

Among those who were of special help to the yearbook was Ms. Rona Lieberman. Despite her position as advisor for the Class of '80, she extended her services to us as a proofreader, as well as advisor and confidant. Her encouragement has proved invaluable to many of us. We wish to thank her and wish her luck with the Class of '80.

We would like to thank Ms. Pamela Chapman for her continued support of our class throughout our four years of high school. Her genuine and sincere interest in not only our class, but the entire student body has made her a very special person to us. We would like to thank her for her kindness and we hope the future classes at B.H.S. will have the opportunity to experience her generosity.

Miss MariLou Wallace is special to our class — a lady full of talents and energy. Her quick wit and sense of humor have often brought smiles to our faces. Her vitality and dedication have not gone unnoticed. We the class of 1979 would like to thank her for all she has done for us.

Words cannot possibly describe the insurmountable task of organizing and publishing a yearbook. Without the dedicated help of the yearbook staff it would not have been possible to put together our "memories." I want to thank everyone who helped us in any way. Hopefully, when we look back on this endeavor we can reflect on the good times we had. Again, thank you.

Sincerely,

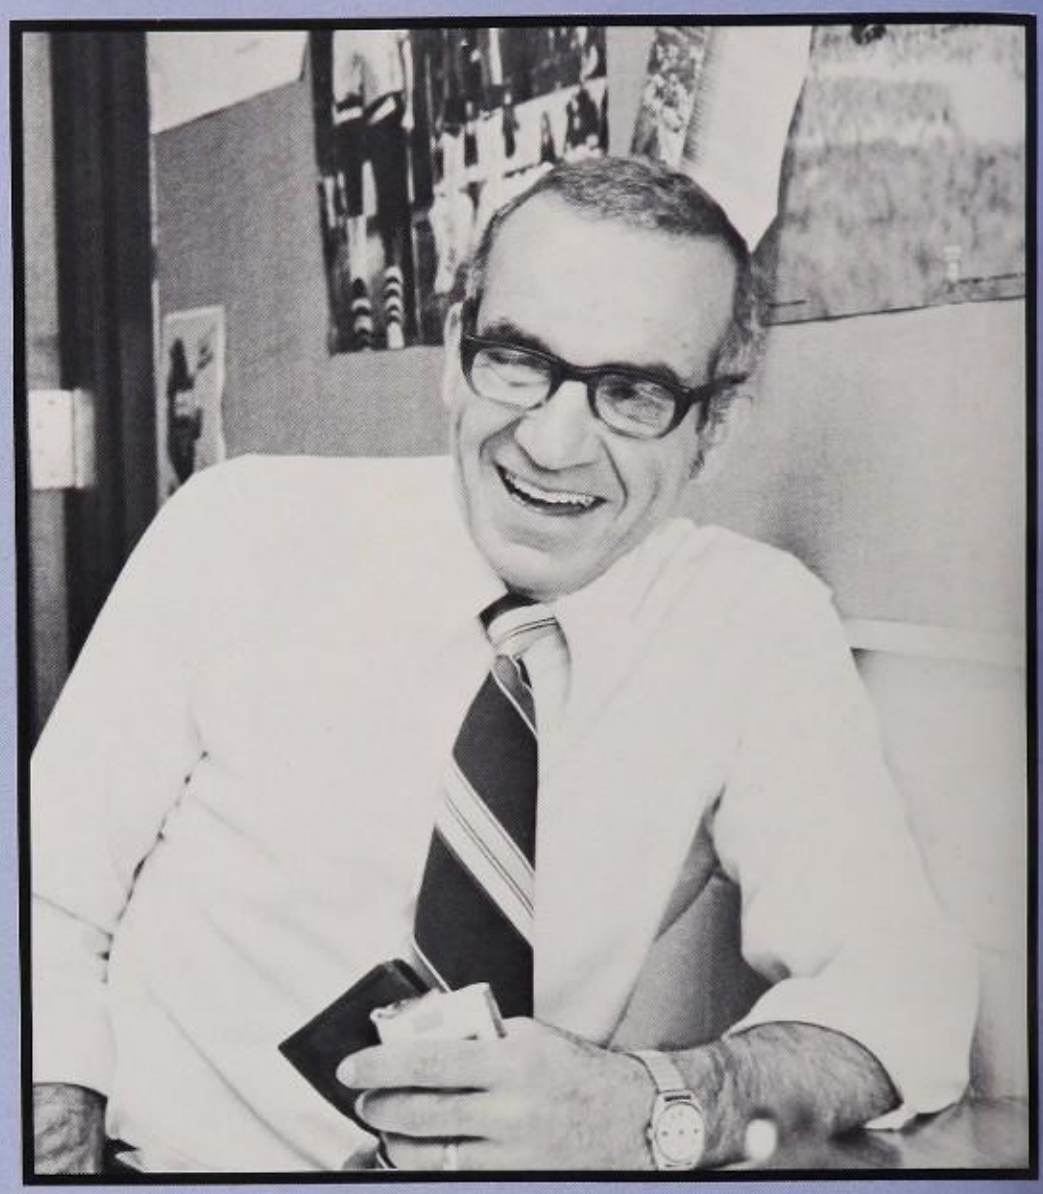
ADVISORS



Truly irreplaceable in all of the accomplishments that contributed to the success of our yearbook was all of the assistance, guidance, and overall friendship given to us by our yearbook advisors. These three individuals — Mr. Michael Pellegrino, Ms. Susan Leonard, and Mr. Loren Euvrard — aside from their normal teaching duties, worked with us closely everyday to help in our decisions and other tasks.

We owe so very much to them for helping a few of our dreams take shape. We gratefully include them among our important photographs and memories.

Lorain Pattison, Mary Jean Hall, Craig Deering, Barb Byrnes, Dilip Barman, Kathy Muller, and Lisa Dalbis.

Few people entering high school realize the importance of dependable leadership and the amount of time and responsibility involved in organizing the class activities.

Throughout our four years at Bethel High School, the Class of 1979 has chosen capable students for the roles of class officers. These individuals have provided the guidance and assistance necessary for the growing success of our class. We have learned to admire and respect these individuals for their dedication and patience. Without their genuine care and concern, the class of 1979 would have experienced many failures.

We would like to take this opportunity to thank all of our student leaders fortheir time and effort and to congratulate them for a job well done.

The Does

One evening, while walking through the fields,
Attempting to feel like Wordsworth, or Thoreau,
I spied a doe.
She was slowly moving through the grass,
And noticed me, and was not afraid, though
I was close to her.
I wanted to go with her
And live in the woods
With beast and fowl,
And something inside of me stirred.
Then the doe slowly moved away from me,
And was gone.

I continued my journey,
Knowing not when to return, and suddenly,
I spied six more does, none of whom were in the least
  worried about the presence of a "Superior Being"
It seemed to me as if all of nature,
  the birds, the bees, the flowers, even the trees
Were calling me to join them, through the does.
And I longed to go.
But I hesitated and returned home,
Knowing that in this age of worry and waste
I should share my experience, so that everyone, like I
Could remember where they came from.

CLASS HISTORY

FRESHMAN YEAR

Anyone entering their first year of high school knows that it isn't easy adjusting from the past year of being a "big wheel eighth grader" to the lowest grade in a high school. We, as any new class, began the year feeling a little scared, quite bewildered, and a little small. Almost all of our endeavors or actions were judgmentally labeled 'immature' by the upperclassmen but we didn't mind too much. It was to them that we consistently looked for a model of our behavior. We grew to admire everything that they stood for and looked forward to one day being like them.

During this first year our car wash was the beginning of our fund raising activities. Our class officers, President Dilip Barman, Vice President Craig Deering, Secretary Kathy Muller and Treasurer Lisa Dalbis, began the task of molding our efforts with hard work, fun and love. Winning second place for our float in our first Homecoming helped us to develop a sense of class spirit. The Battle of the Classes was an uphill struggle trying to prove to the upperclassmen that we could "hang in there".

SOPHOMORE YEAR

A miraculous transition occurs with the coming of one's Sophomore year. Only months from the end of our Freshman year, we suddenly feel more important-no longer the "low man on the totem pole". We felt more a part of Bethel High School, as it became easier to be more involved in the activities and fun of the school year. Many of us were able to see ourselves reflected in the faces of the new freshmen as we adjusted to the Bethel High School scene.

The highlight of our Sophomore year was the Ring Dinner. We now had a cherished possesion which established our membership as a class in Bethel High School. The Battle of the Classes was a night of continuous effort to establish ourselves as a first place team and the #1 class! Our officers this year were President Barbara Byrnes, Vice President Kathy Muller, Secretary Elena Lu and Treasurer Lisa Dalbis. Each had a sense of responsibility in the knowledge that many more challenges awaited our class.

JUNIOR YEAR

One of the overriding 'wonders' of our Junior year was suddenly seeing the Class of 1978, with whom we had grown over the years, as the new leaders of the school. Moving ever upward on the school social scale, we felt a new sense of maturity and a feeling of duty in making the underclassmen feel welcome. It was also the year that we began to look beyond high school and shape our plans in preparation for what would lie ahead of our Senior year.

Our Junior year was filled with many events. Our Junior Show was entitled 'Close Encounters of 79' and was directed by Beth Krompinger and Jim Dann. The semi-formal dance, 'Slow Dancing, Swayin' to the Music' held in the cafeteria was a night to be remembered by all. The theme of our Junior Prom, held at the Embassy Room in Danbury, was 'Sometimes When We Touch'. Once again the Class of 1979 won first place in the Battle of Classes.

Each of these activities took much planning, organization and time on the part of our Class Officers, President Barbara Byrnes, Vice-President Kathy Muller, Secretary Elena Lu and Treasurer Lisa Dalbis.

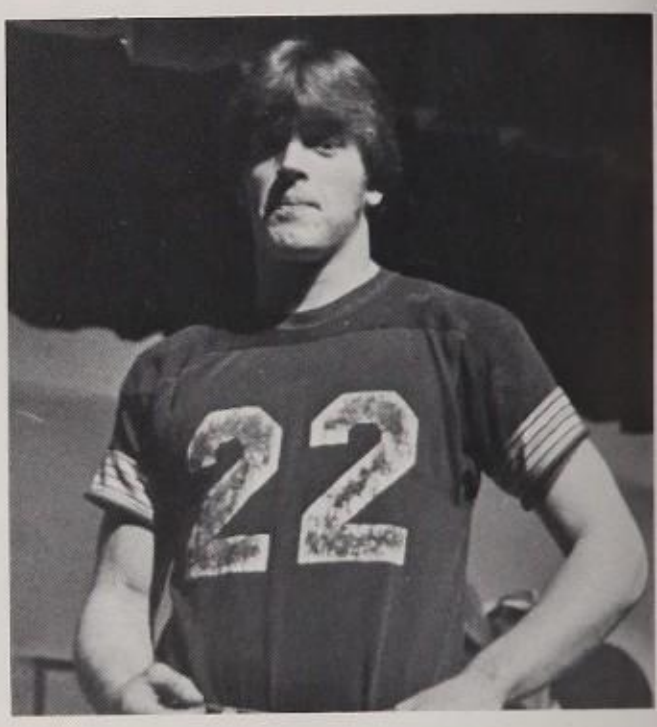
SENIOR YEAR

An awesome responsibility was thrust upon us with the transition of becoming Seniors! Many of us delighted in calling ourselves 'Seniors' at the end of the 1978 graduation ceremonies but we really had no idea of what it would be like until the start of the 1978-1979 school year. No longer under the thumb of any other class, we saw the underclassmen looking up at us in admiration. There was also a new sense of freedom associated with Senior year-freedom to display all of the 'craziness' we had with held earlier; freedom to display our maturity in our responsibility as leaders of the student body. In addition to the numerous projects and activities that kept us so busy, we were often engaged in serious thought and decision making pertaining to our future. We were proud to have come so far, but suddenly all too aware of how soon it would all end. We have grown to love Bethel High School. Where has the time gone?

The leaders of our class for our final year at Bethel High School were President Barbara Byrnes, Vice President Mary Jean Hall, Secretary Peggy Hyra and Treasurer Lorain Pattison. Each event that took place was a memory never to be forgotten. Homecoming proved to be one of the most exciting Bethel had ever seen. Each class seemed to have a special spirit and enthusiasm. Our Senior Play displayed the togetherness which has been a characteristic of our class. Now we have arrived at the end of our high school years. These four years have been filled with so many memories that we will never forget-the laughter, the friendships, the spirit and the love.

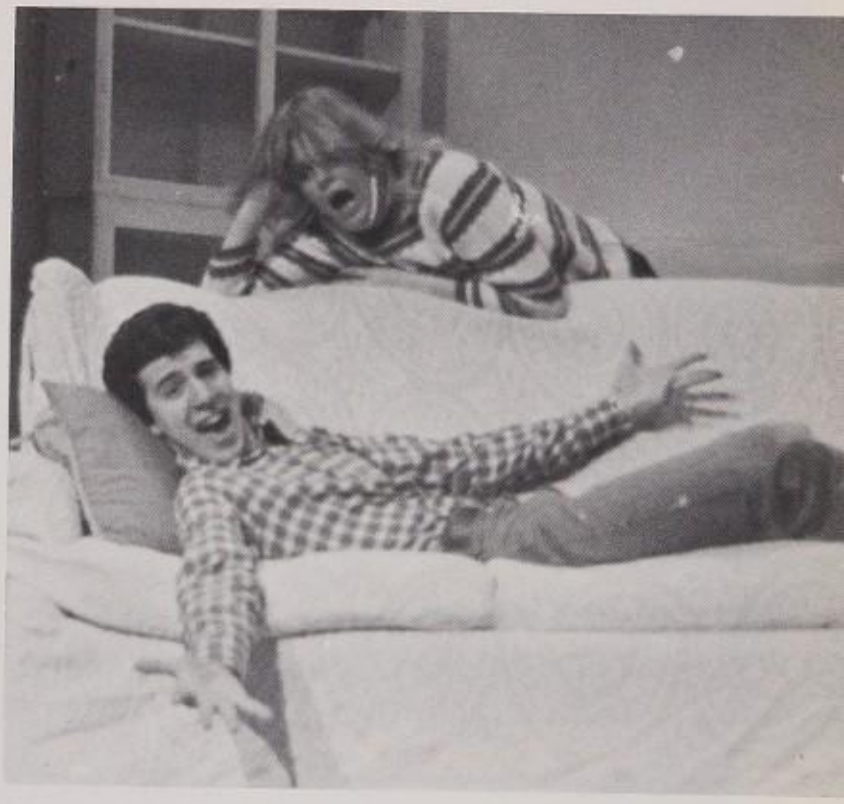
Sometimes I think about our old high school days, you would always kid about my adolescent ways.

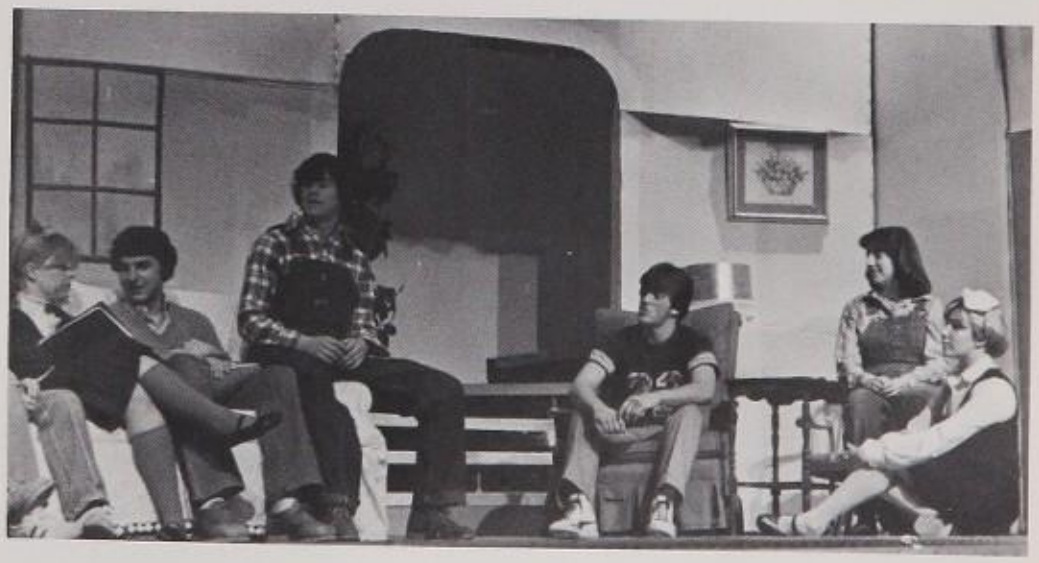
BETHEL HIGH SCHOOL



SENIOR PLAY

This years Senior Play was "Cheaper by the Dozen." The play was presented on March 8th and 9th. The directors were R.J. Saturno and Laurie Lapine. Much of the success of the play was due to Mr. Mary Lou Boucher whose professional touch played a major part in the production. The play turned out to be a great success. The cast wishes to thank everyone who supported them in any way.



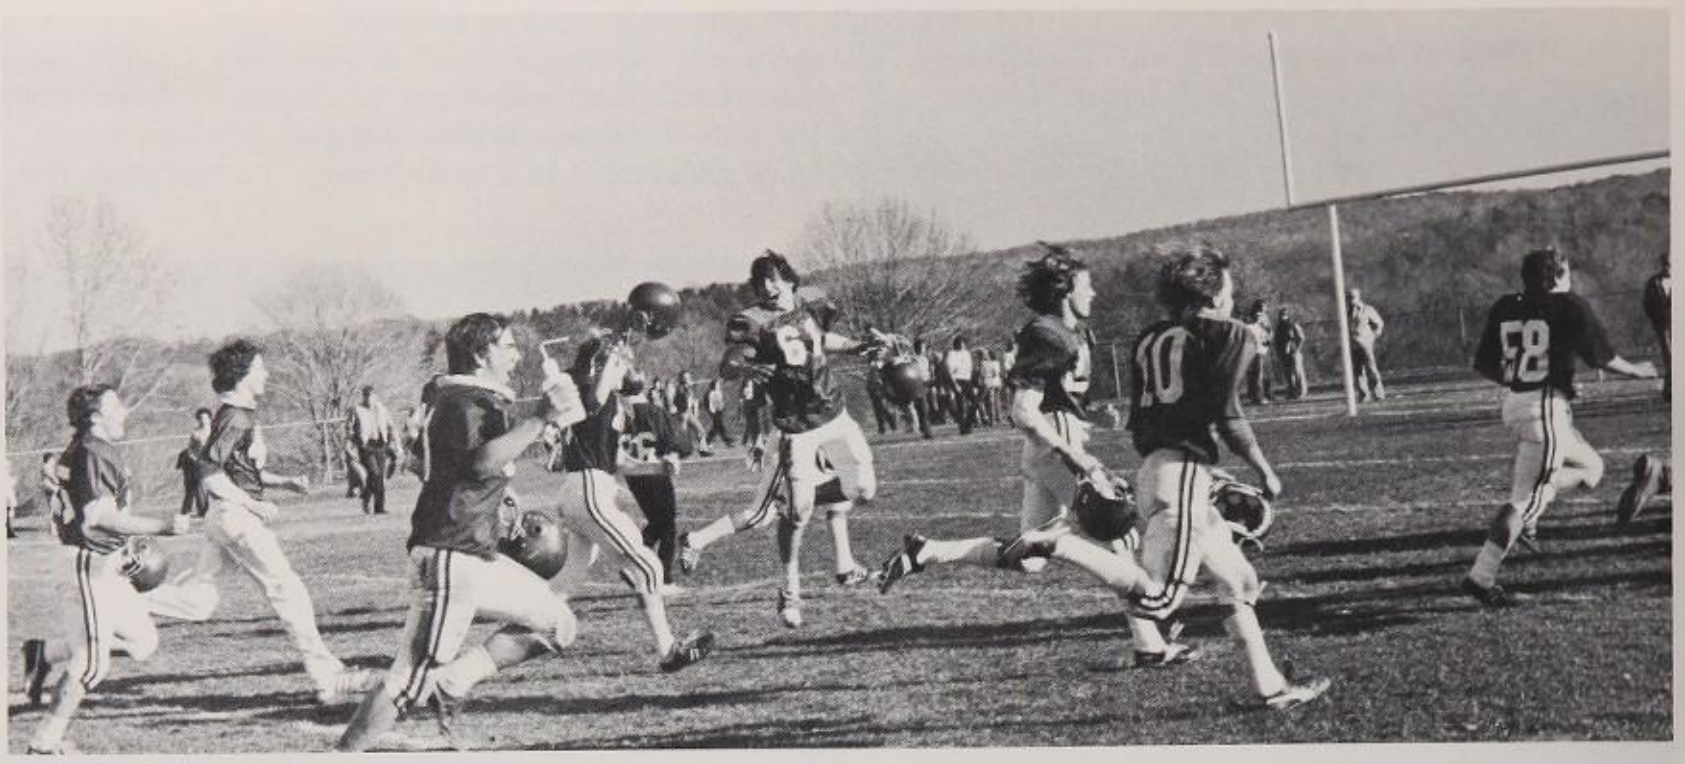


In our Junior year we hosted the Junior-Senior Semi-Formal. As the band "Deep Roots" played, we, in the spirit of love and friendship danced to "Swayin to the Music." We will all remember how everyone formed a large circle and a brave few delighted the onlookers with their antics in the center. The crowning of Stefan Lescouhier and Lisa Lauf (class of 1978) as King and Queen, and Paul Kenning and Kim Young as Prince and Princess highlighted the evening.

JR. SR. SEMI FORMALS, "77"-"78"

"Wouldn't you give your hand to a friend?
Think of me as your friend." The Class of 1980 sponsored "Midnight Blue" on December 2, 1978. Seniors Bob Hall and Kathy Muller reigned as King and Queen and Juniors Kevin Hula and Brigit VanWidenfelt were honored as Prince and Princess. Those who attended especially enjoyed the hors d'oeurves, sandwiches and delicious punch served. The band, Charmer, played a major role in making the evening as pleasurable as it was. It was, ". . . one more time for all of the old times, Midnight Blue."

HOMECOMING

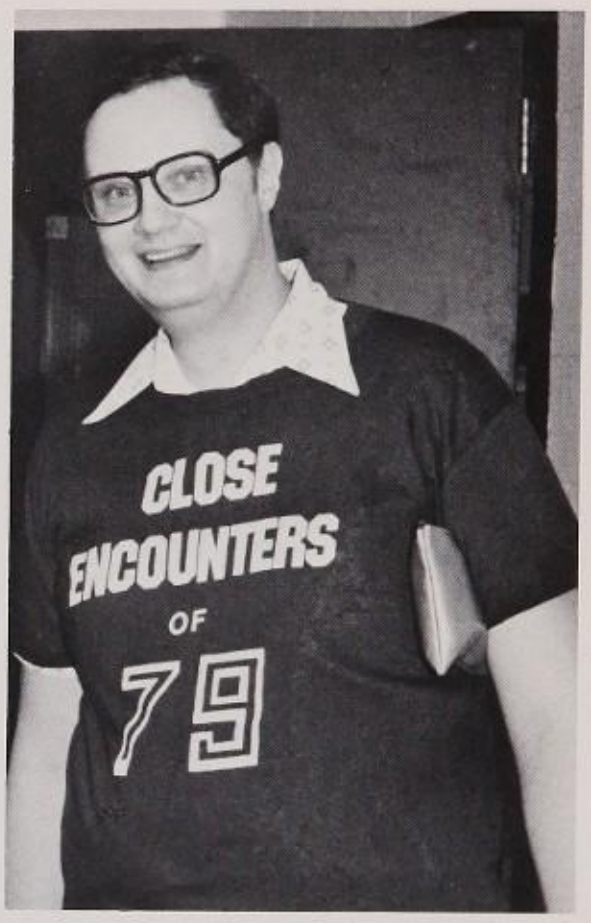


The Student Council's hard work and determination was the primary reason for the success of Homecoming 1978. It was a year of both innovation and revision. The Spirit contest and gym decorations added considerably to overall school spirit. The system of election of Homecoming royalty was revised. This year a royal court was established, headed by the Senior King and Queen while the underclass candidates served as "Princes and Princesses."

The Class of 1980 won first place in both Float and Banner contests while the Class of 1979 won the Bulletin board, Poster, and Spirit contests. Dave Burke and Mary Jean Hall reigned as King and Queen for the occasion. Barry White and Brigit VanWiedenfelt were the Junior royalty, Jimmy Whittaker and Debbie Summers, Sophomore, and Jean Wakeling and Bob Kypreos, Freshman.

THE JUNIOR SHOW

"Close Encounters of '79", our Junior Show, was held on April 20th and 21st 1978. Our directors, Jim Dann and Beth Krompinger, with the help of our advisor Mr. Krenick, worked hard to make our presentation a success.



JUNIOR PROM

On the evening of May 12, 1978 our Junior Prom was held at the Embassy Room. The theme of the prom was "Sometimes When We Touch". We danced to the beat of "Dazzle" and enjoyed a buffet dinner. As we look back at this event we will always recall the special moments it brought to each of us.

One of the highlights of our prom was the selection of King and Queen and Prince and Princess. The honors were given to Ray Buckley and Peggy Hyra as King and Queen and Skip Swartley and Mary Jane Hall as Prince and Princess.

BATTLE OF THE CLASSES

This years Battle of the Classes was a big success due to the participation of the members of each class. The class of 1979 were the reigning victors in the contest. Adding to the excitement of the event was the spirit of the spectators.

STUDENT COUNCIL

The Student Council this year extended their services in many activities both for the school and the community. They were responsible for an increased number of dances throughout the year, along with various assembly programs. Community functions such as a Christmas party for a group of residents of Southbury Training School, and the annual buffet dinner for the elderly of Augustana Homes, were prime examples of the dedication and leadership traditionally displayed by the Student Council. Leadership this year was afforded by President Joan Vecchia, Vice President Mary Lynn Vaghi, Secretary Michele Kim, and Treasurer Dilip Barman. Advisors were David Matte and Albert Bibeau.

Ola!

My name is Mara Brophy Trelles, and I'm from Piura, Peru. I am 18 years old. I'm part of one of the largest exchange organizations in the world: American Field Service. The 20th of February was a very special day for me, it was the day I arrived in the U.S.A., where I will have stayed from February thru July.

The experiences here are innumerable here and very pleasant. After dreaming of them, the best realization I've had is that I'm living them. On arriving here, everything seemed very different to me with many surprises, in spite of what I already knew of this country.

Seeing snow when I arrived was an enchanting experience. The Dillon family with whom I am staying, are wonderful people and have shown me as much love and affection as my own parents and 7 brothers and sisters. Through my courses in school, the people I meet and every moment I experience, I am living and learning very much. To all of you, thank you so much for your help in making this a beautiful stay and a marvelous experience.

Good Luck & Happiness, Mara

LOOK TO THE RAINBOW

The eighth annual BHS Fashion Show "Look to the Rainbow" was held this year on January 18, 1979. The show was highlighted by the students who modeled the clothes that they had made, while sharing with us a little about themselves.

Other highlights of the show included guest appearances by several alumnae still involved in clothing construction and a slide show showing the work of all who participated.

Appreciation and thanks must be extended to the Home Economics advisors, Miss Deborah Brown and Mrs. Sandra Milsap, for helping in a very successful fashion show.

The Bethel Cross Country Team continued its winning ways with a fifth consecutive undefeated season. John DeMille's harriers again dominated the league while upping their winning streak to an incredible 64 straight meets; currently the longest in Connecticut. The team also took first place at the Wolcott Invitational and won the Western Connecticut Class M Sectional. The season ended with a second place finish at the Class M Championship and a fourth place at the State Open.

Co-captain Dave Burke, one of the premier runners in the state, won the WCC individual championship and broke several course records. Newtown transfer Harold Smith ran a strong second to Dave most of the year. Jeff Fawcett and co-captain Bob Hall were vital members of the 'Cat pack. Juniors Joe Olmstead, Al Uzwiak, and Mike Duff were outstanding all season and will be looked upon to lead the team next year. Tom Moore, Tread Lewis, Brian Hill and Dan Romanello also had years.

Saturdays during the Football Season in Bethel are special. They're days when the twin emotions, enthusiam and pride, overwhelm us, destroy our individualism, and make of us a spirited "one". This feeling of Togetherness then feeds as it feeds upon the center of our attention, The Bethel High Football Team.

Led by Tri Captains John Hula, Lou Valenti and John Goodno, driven emotionally and physically by their coach Ralph DeSantis the Wildcats of 1978 enjoyed an impressive 6-3-1 season. Outstanding performances were turned in by "All Area" squad members John Hula and Lou Valenti as well as by "All W.C.C." players Larry Keough, Ray Ingram and Kevin Hula.

It was a season in which each game was replayed again and again in the minds and conversations of players and fans. It was a season which, transformed to the world of memory, will live long beyond our High School Years.

This year's Varsity Soccer Team represented the last of the original B.H.S. Varsity squad. Senior members included Bill Bass, Craig Deering, Frank Lamphier, Jeff Markward, Frank Musser, Brett Page, and Aengus Strother. Frank Musser led both Bethel and the W.C.C. in scoring with 12 goals and 7 assists.

The team faced many frustrations as they battled through 4 games, only to loose by one goal. Injuries to key players during the season also impeded the success of the Wildcats. Bethel ended the season with a 4-9-1 performance.

Under the leadership of Walter Hartsburg, the Junior Varsity successfully completed a 10-3-1 season.

The 1978-1979 school year witnessed a new activity added to the Bethel High School interscholastic sports program, Girls Soccer. The girls competed against several experienced teams including the male squad representing the Bethel Park and Recreation Department. Considering their inexperience the team could be justly proud of it's four wins and five loss record.

The highlight of the season was the victory of the Bethel Squad over Canterbury Prep by the score of four to zero. Exceptional performances, over the season, were turned in by Melinda Rustici who was consistently the teams high scorer, Cindy LeSage who was responsible for saving thirty five goals and Seniors Sarah Hixson and Cathy Haitsch were consistent play was invaluable. Instrumental in aiding the team to its intial successes were Mr. William Swanson, Coach Lucy Davis, Dave Rubin, Laurie Bunoumo, and Alison Weigler whose publicity efforts on behalf of the team made this yearbook section possible.

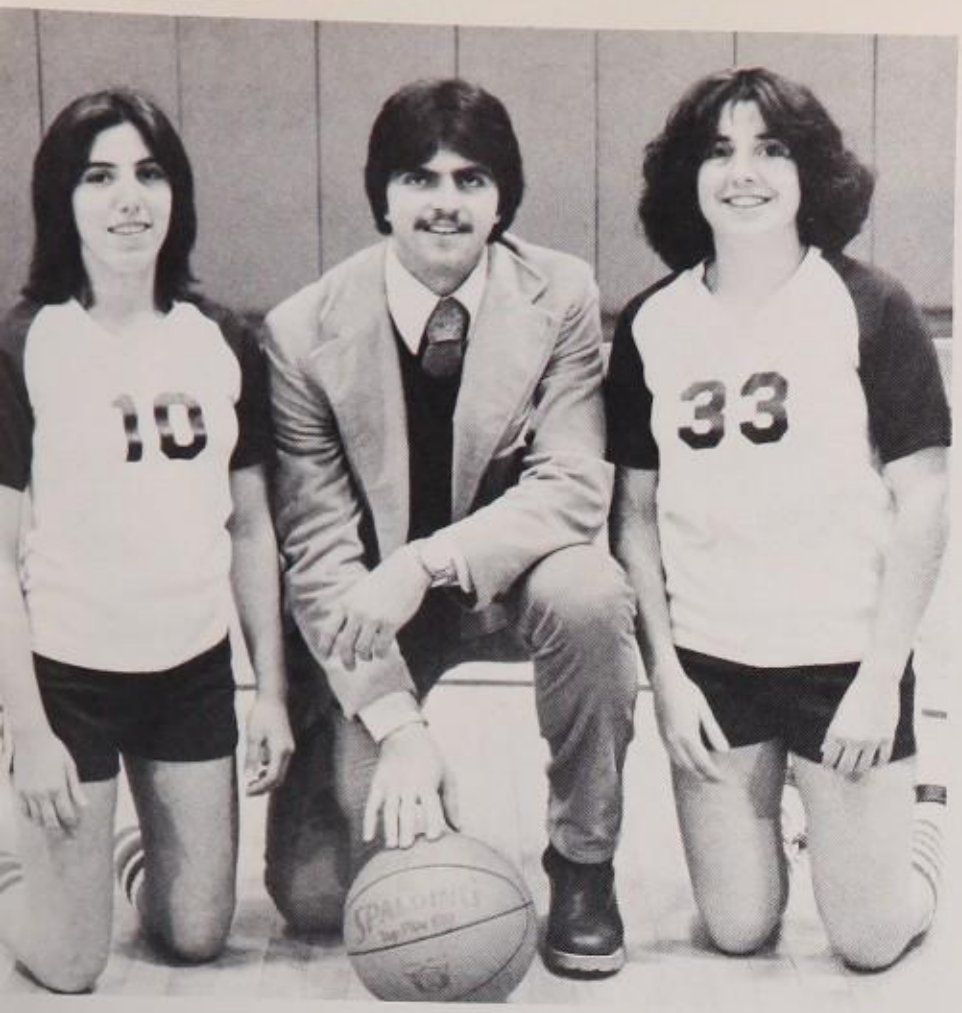
Although the boys basketball team was not as successful as all had planned, the team proved to be a talented and tough opponent. The Wildcats always kept the spectators on the edge of their seats, with manuevers the pros dare not use. The team's strategy often led them to games ending with a mere one or two point spread. The Wildcats were led by second year coach Tom Pardalis. The seniors on the team included Co-captains Larry Keough and John Brawley, Dave Burke, Stewart Teed, Tom McGee and George Rose.



The girls basketball team under the new direction of Coach Kevin McGuinness made a show but monumental climb to the state tournaments in February. With Co-Captains seniors Mary Jean Hall and Ann Marie Malichio, sophomore Lisa Hancock top scorer for the season, adding up to a record of eleven wins, nine loses, it became evident that a new trend for future winning seasons was being set.

The Bethel Ice Hockey Team has put together a winning team for the second consecutive year. The team cruised into the playoffs of the WCC Varsity division in first place. Our dedicated Fred Murkland, encircled the team with his usual philosophy of hard work. With the help of a Bethel Alumnus Michael Priest, assistant coach, the two have molded a variety of talent into a piece of smooth running team work. Seniors Frank Foster and Greg McMahon led the team in a point scoring race. Seniors Bob Cesaro and Chris Ragonesi also were very aggressive members of the Bethel Squad. Had it not been for the outstanding efforts of the junior goalies Bob Killian and Dave DePace, many of the games could have gone to the opposing team. Juniors Ken Thomes and Phil Liberatore had their finest season so far as defense, although both were injured at one point during the season. Juniors Jay Rague and Jim Laucious also had a fine season. Two underclassmen, sophmore Turk Taylor and Freshman Flash Tim Sullivan showed fine insight and promise towards victorious hockey teams in the near future.

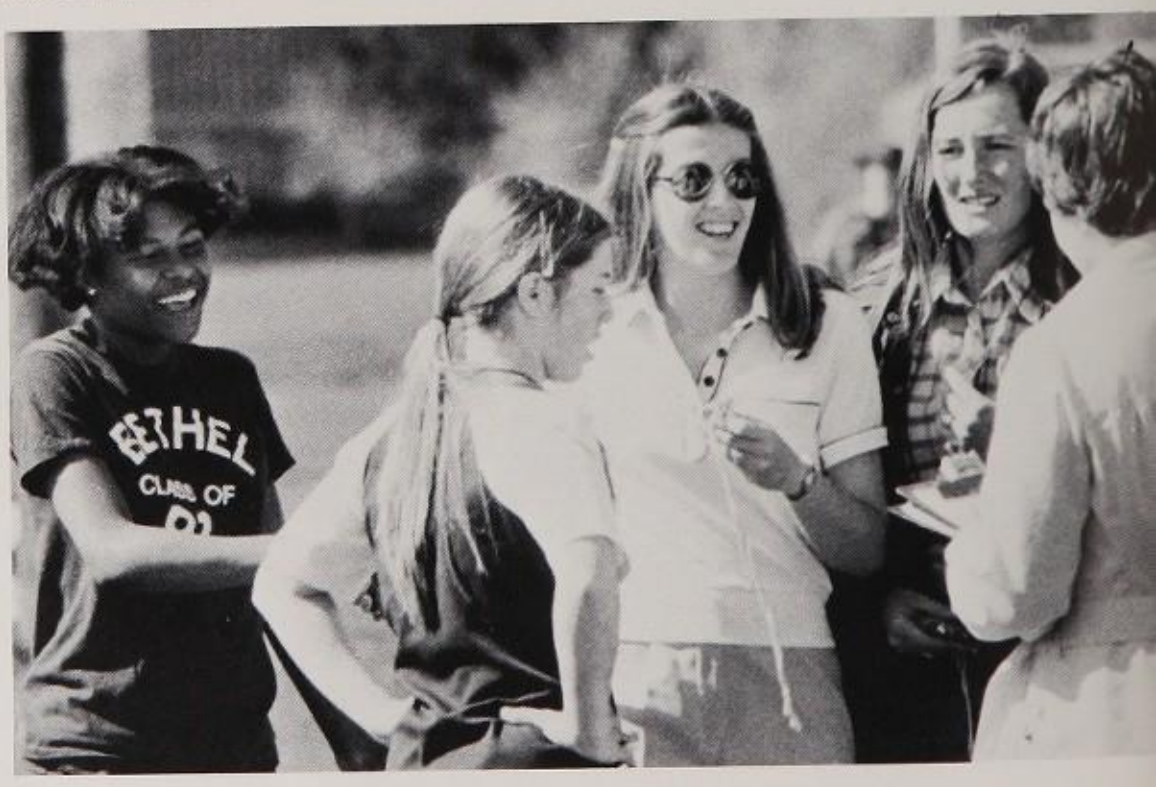
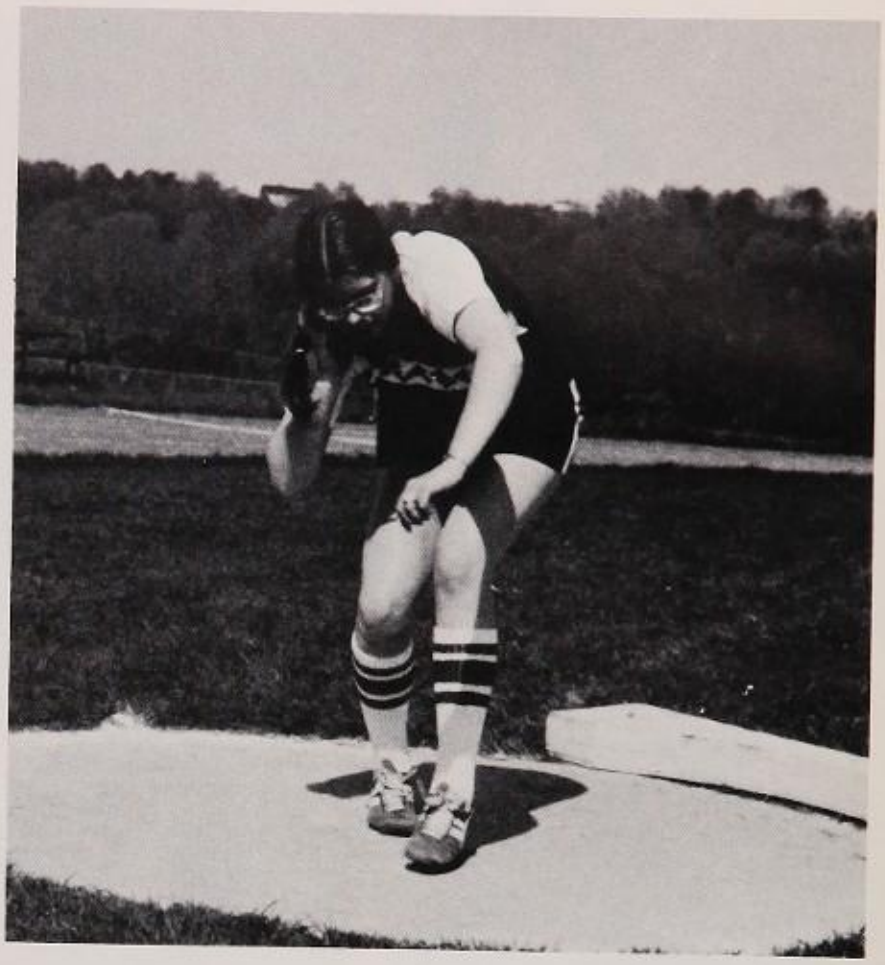
GIRLS TRACK and FIELD

This year's Girls' Track team consisted of many of the performers from last year's 5-2 squad. The team's strengths proved to be a mixture of both track and field events. Seniors Margaret Van Dyk and Michele McArthur contributed valuable points in the field while Kathy Muller, Sarah Duff, and Edith Connor were consistent scorers on the track. The team, coached by Mark Goodwin and Doris Janofsky continued to show great progress in only their fifth year of existence. The Wildcats as a total team proved to be strong competitors throughout the dual and state meet portions of the season.





The Yearbook Staff offers its apologies to the members of the Girls Softball Team for its inadequate coverage of the Team's season in the 1979 Wildcat.

The Softball season unfortunately began after the staffs final deadline for copy submittal. This makes it impossible to obtain the photographs necessary for a formal Softball section. We can only offer our sincere wishes to Miss Clarkson and each softball player that their spring season will bring much success and enjoyment.

BOY'S TRACK

The trackmen relax between viet

Few people watching a skilled trackman realize the amount of rigorous training and personal sacrifice involved in a good performance. Not only must a trackman compete against an opposing team but he also must compete against a bigger foe, himself.

Once again the trackmen of Bethel High School have continued their long standing winning tradition. The team's strong running attack combined with an improving field attack made the Wildcats a top contender in the league, and understandably a force to reckon with throughout the season. Improved performances resulted in several personal bests for individual athletes and contributed greatly to team victories.

VOLLEYBALL

The Varsity Volleyball team had its first winning season in three years. Led by Coach David Nyitray, the team ended up with a record of 9 wins and 7 loses. The team went to the State tournament and ended up in the upper half of the thirty-three teams there, missing the upper fourth by only one game. Graduating Seniors are Lourdes Ribas, Laurel Kessler, Mary Finn and Co-captains Linda Gillett and Carol Backman. Co-captains Sue O'Hara and Chris Lengel, with help from coaches Mr. Fontaine and Mr. Fassaniella, led the JV team to a 12-4 record. Briget Angel and Lisa Miller did excellent jobs as managers for both teams.

Varsity Volleyball - left - right - front top left - E. Conner, A. Virgilio, C. Daiken, B. Edwards, L. Ribas, L. Miller, C. Malichio, C. Dorn, C. Smith, L. Wagner, L. Kessler, C. Bachman, R. GIRLS CROSS COUNTRY

The 1978-1979 Girls Cross Country team completed a highly successful opening season, posting a dual meet record of 10 wins and one loss. In addition, the squad registered a fourth place finish at the Shelton Invitational and first place at the Nonnewaug Invitational. The team was led by Junior Lisa Steiger who won six dual meet races and set two course records. Consistent scoring during the year was provided by Kim LeSage, Diedra Dietter, Kelly Jean Pilek and Kathy Muller. The season ended with two solid performances as the team finished fourth in the Class M finals and twelfth in the State Open. Although Kathy Muller, Michele McArthur and Lynn Edmanson graduate this year, the team anticipates the future optimistically because seven runners are scheduled to return for the 1979-1780 school year.

Coach Mark Goodwin, Captains Kathy Muller and Lynn Edmanson.

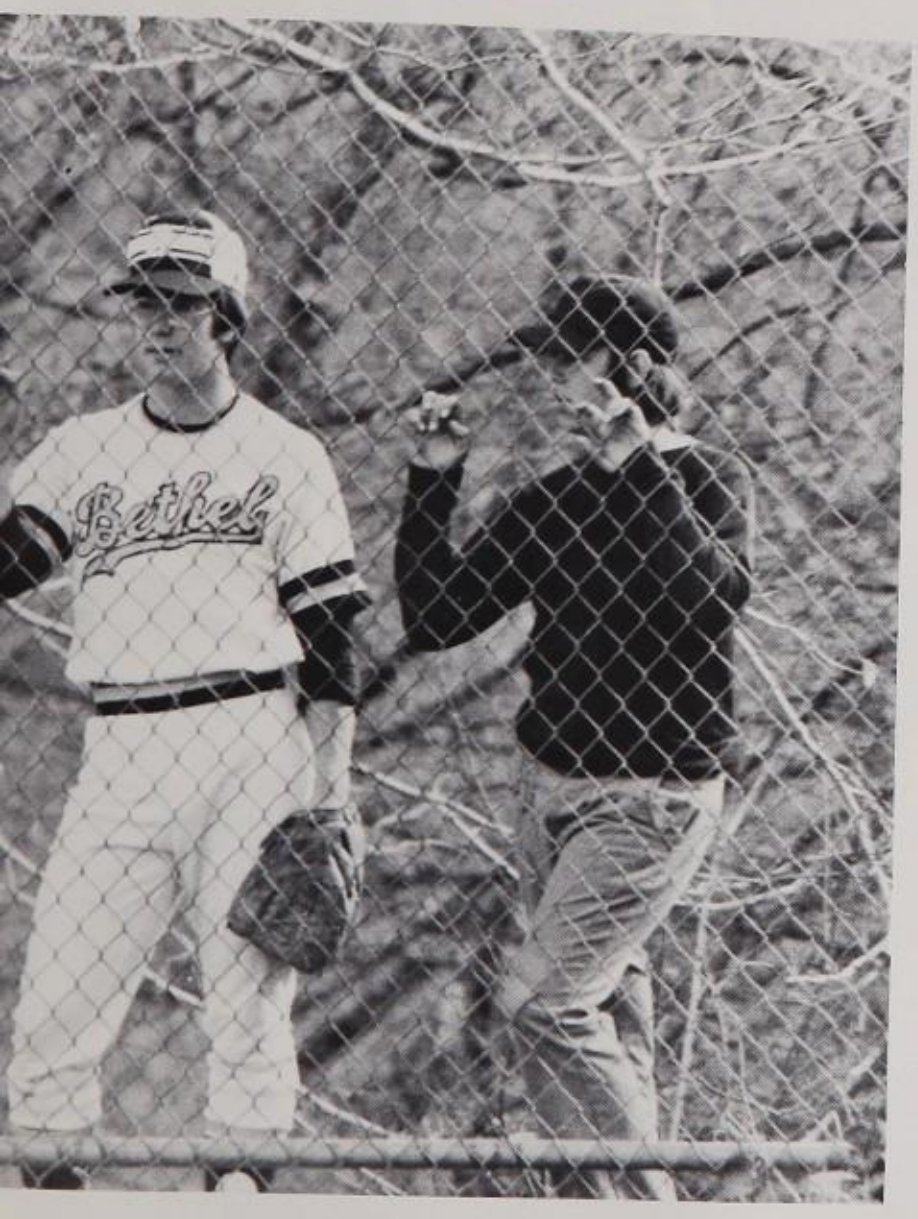
Barry White



The 1978 Wildcat baseball team finished the season with a 12-6 regular season record. The team was led by their reputable coach, Mr. William Hunt. His guidance and direction led the Wildcats to a winning season, typical of Bethel High baseball.

The field of players was led by a staff of future seniors: Greg McMahon, an excellent outfielder; Larry Keough, all conference third baseman and slugger; Larry Goldstein, a tough shortstop; Billy Kennedy, a strong infielder; Jim Kenny, a good outfield back-up; Craig Deering, a sturdy catcher; and Jeff Markward a fine first baseman. The team was rounded out by the superior play of the underclassmen Barry White, Steve Merullo, and Bruce Kennedy. The Wildcats face the 1979 year with the ingredients for another victorious season: confidence and talent.

But in looking back at the lessons I've learned... I would sure be the first one to say, when I look at myself today, I wouldn't have done it any other way.

THEME CONCLUSION

As this yearbook draws to a close, we realize that so, too, do our high school years. Through many times, both good and bad, we have grown to appreciate Bethel High School as an institution of our growth and learning. Yet, the special times we've shared together will always stay alive within these pages—our Photographs and Memories.
